Itinerary from Soccer City Port Elizabeth to Soccer City Cape Town

Day 1 Arrival Port Elizabeth

Fly into Port Elizabeth, soccer city and so called “friendly city” - your first destination. Enjoy a city tour late afternoon and evening at leisure.

2 overnights in Port Elizabeth area

Day 2 Soccer in Port Elizabeth (12, 18, 21 June – see tour 2 slightly different, match 15 June))

After a stroll along one of the beaches, get to the soccer stadium and get all drawn into the soccer spirit!

Day 3 + 4 Port Elizabeth to Addo Elephant Park

After the soccer adrenalin drive some 1.5 hours into a completely different world: Addo Elephant Park! This finely tuned ecosystem is sanctuary comprising 164'000 ha and is home to over 450 elephants, Cape buffalo, black rhino, a variety of antelope species, as well as the unique flightless dung beetle, found almost exclusively in Addo.

Your accommodation will be close to Addo Elephant Park. Go on a late afternoon safari watching out for wildlife, their tracks and smell the bush.

2 overnights in Addo area

Day 5 + 6 Tsitsikamma and begin of the famous Garden Route

After a morning safari and leisurely breakfast drive back via Port Elizabeth into westerly direction and the beginning of the spectacular Garden Route. This route owes her name to the scenic beauty next to it: the Indian Ocean with either soft white beaches or cliffs on the one side and the mountain range on the inland side. One of the highlights is the gigantic Storms River Mouth that can be admired from the bridge.

Things to do:

- visit Tsitsikamma National Park
- Canopy Tree Top Tour: glide through the Tsitsikamma Yellow Wood Forest in approximately 30 m heights – a bit of adventure on this very particular way of exploring this area (no experience needed).
- The highest Bungee Jump worldwide from Bloukrans Bridge
- long beach walks and much more...

2 overnights in Tsitsikamma area

Days 7 + 8 Knysna and Knysna Lagoon

Continue on the Garden Route to the city of Knysna – famous for its setting overlooking the Knysna Lagoon up to the Knysna Heads, two high cliffs that are forming the entrance from the lagoon into the Indian Ocean. Knysna has a lot to offer:

- try fresh Oysters on Thesen Island
- take the boat to the Western Knysna Head into Featherbed Nature Reserve or
- climb on a catamaran and set sail for a lagoon sunset cruise!
- Drive to Plettenberg Bay and visit Monkeyland, Birds of Eden and Tenikwa Wildlife Awareness Center (Wild Cats).
- Or simply stroll along the main road, visit local craft markets, the little mall and Knysna Waterfront with its nice shops and restaurants...

2 overnights in Knysna area

Days 9 +10 Hermanus – Stanford - Gansbaai

Continue along the Garden Route before you drive South towards the little fishing village of Hermanus on Walker Bay: every year between the months of July and November the Southern Right Whales come to the Cape of South Africa looking for protected spots such as Walker Bay to calf and bring up their youngsters. Some whales never leave the Cape, so you might be lucky and see some of the “permanent inhabitants” from the cliff path that leads along the bay. Things to do:

- drive to Gansbaai for a shark cage diving experience or just the boat trip with the divers – you will see many Cape Fur Seals (one of the biggest colonies worldwide), various sea birds and maybe even whales...
- visit Stanford some 25km from Hermanus, a little arty village, go into a local Pub and maybe watch one of the soccer matches with the locals
- close to Stanford you can try some fresh beer at Birkenhead Brewery, also close by is a cheese farm
- in Hermanus: visit Fernkloof Nature Reserve
- stroll along the little shops and find some souvenirs on the local craft market

2 overnights in Hermanus area

Days 11 to 15 Cape Town, the Mother-City

The last destination on your trip is Cape Town, the oldest city and buzzing metropolis stretching out from the foot of Table Mountain to the busy harbour of Table Bay.

Enjoy the city with its many popular sights: Company Gardens, Bo Kaap Quarter, District Six, The Castle, Table Mountain, the close beaches of Camp's Bay, Clifton, the little fishing village Hout Bay (embark on a boat cruise to Seal Island from here). Other musts are:

- V&A Waterfront – and Victoria Mall, the many bistros and restaurants
- The Two Oceans Aquarium (did you miss out on the sharks in Gansbaai? You can also dive with them in their tank here!)
- Robben Island
- Drive around the beautiful Cape Peninsula to the most south-westerly point of the continent: visit Cape of Good Hope and the lighthouse of Cape Point
- Stop at the Ostrich farm close to Cape Point
- Visit the Penguin Colony at Boulders Beach, near Simon's Town.
- Pop into Kirstenbosch Botanical Gardens
- Ascend Table Mountain (either take one of the various hiking trails or the rotating cable car)
- You want something thrilling? Embark on a helicopter (flips from 15 to 30 Minutes and longer),
- Sail on a catamaran in the waters of Table Bay
- Visit the Cape Winelands and follow the wine routes, go on a cellar tour and taste the popular Cape Wines...

And of course: be part of a soccer match at Green Point Stadium (matches on 24, 29 June and 3 and 6 July 2010).
